

## 2017 Pro 3 Rides Entry Form, July 1 and July 2, 2017

You will receive 2 complimentary entry tickets for each seat requested...go to the ticket booth when arriving at Pacific Raceways and inform the ticket window that you are participating in the BMW Pro3 Track Experience for that day.

To participate in the ride, you will need to be at the BMW Northwest tent 30 minutes (11:00) prior to the track experience to turn in (or sign) waivers, get fitted for helmets and assigned to cars. We are suggesting that you don't eat lunch prior to the ride. Remember, even though you are strapped into a 5 point harness, there will be a lot of rocking and rolling as you go through the turns and you will feel compression and g-forces throughout your lapping. It is similar to roller coasters and thrill rides at the fair. If you are prone to motion sickness, you might want to wear a patch or take Dramamine prior to going out since this is going to be a similar experience. We will be asking you to sign two waivers prior to going out on the ride. These will be available at the Northwest BMW tent that is located just across from the concession stand and bathrooms.

**The rides are \$250 per seat and of that \$50 is considered the Fair Market Value and the remaining \$200 is potentially a tax deductible donation. Please mail checks prior to June 20<sup>th</sup>. Checks should be made out to: SOVREN Guild** and mailed to BMW Pro3 Track Experience / SOVREN Guild / P.O. Box 725 / Issaquah, WA 98027. Also please email entry form to contact below. You may also pay by credit card. If you are uncomfortable providing credit card info here you can indicate you will pay at track or you can call it into us at number provided below. Remember there is limited space each day so early registration is advised asap. There are 12-15 cars going out these day.
